

Wayne Knit Hosiery

For the Whole Family

Do you realize what a difference there is between Full Fashioned and Seamless Hose? Not one in ten do.

Full Fashioned Stockings are knit the shape of the foot and leg and will always keep this shape, no matter how long worn.

Full Fashioned is to stockings what custom tailoring is to clothes.

Seamless Stockings are circular knit; that is, like a tube, without any narrowing or shaping in the leg or foot. The heel and toe are sewed up and the look they have when on the counter is given by putting them wet over boards shaped like a full fashioned stocking and pressing them. This shape they will retain until worn when, naturally, the upper part of the leg fits tight and the ankle baggy, and the foot has no form whatever.

The difference between Full Fashioned and Seamless in fit, appearance and satisfaction to the wearer is entirely one sided in favor of Full Fashioned.

Wayne Knit Hosiery for the whole family is Full Fashioned.

We venture this assertion that you will pay 38c a pair for Stockings no better than Wayne Knit at 25c—you will pay 50c a pair for Stockings no better than Wayne Knit at 38c. You better try them.

Wayne Knit Hose for Women 25c to 50c a Pair.
